

KLARIFIKASI

Judul : Variation of Residence Time Yeast Type Affecting The Concentration of Bioethanol Based on Sorghum Seeds Through Hydrolysis and Fermentation Processes.

Nama Jurnal : TEST (Engineering & Management) Vol. 83

Komentar : Cakupan jurnal kurang begitu jelas bila dicermati judul/topic karya ilmiah dengan nama jurnal dinilai kurang selaras. Editorial team kurang jelas hanya ada alamat email. Diperlukan penjelasan mengenai perbedaan dengan makalah “The Effect of Type and Concentration Yeast With Fermentation Time and Liquifaction Variations on the Bioethanol Concentration Resulted by Sorghum Seeds with Hydrolysis and Fermentation Processes”. Metoda dan kesimpulan kedua makalah tersebut sangat serupa. Diperlukan klarifikasi dugaan masalah duplikasi ini.

Keterangan : Berikut kami lampirkan proses korespondensi jurnal terkait berdasarkan comment reviewer dari Editorial team Jurnal Test Engineering and Management”

Perbedaannya dari jenis Yeastnya ada variasi bakterinya lebih banyak, dari metode waktu dan suhu resident time fermentasinya beda penanganannya kalau secara fisik alebih dari satu hari dan menggunakan suhu tinggi serta menggunakan alat dari laboratorium alat dari rumah dan alat dari laboratorium Pertamina Pak, hasilnya juga ada perbedaan yang mendekati walaupun memang bakteri Lactobacillus lebih baik hasilnya.

Dear Author(s),

We expected you first refer to the Journal Template at the Website Guide for authors and adjust your manuscript according to the Journal style. However, your current manuscript text was therefore modified according to the TEST Engineering and Management Journal to some extent. Thus, before your manuscript is sent for the peer review, you have to revise your manuscript according to the provided below comments and revise carefully JUST on the current manuscript file; not at your own submitted file. Remember any changes and corrections must be highlighted in RED fonts to be recognized by Editor. Also do not change the provided writing style.

In addition;

The manuscripts English language writing requires serious edition. It must be edited by an English text editor or an English Institution.
