

KLARIFIKASI

Judul : Alcoholysis of Corn Oil (Zea Mays (L)) Using NaOH Catalysis At 1 ATM Presurre.

Nama Jurnal : Solid State Technology Vol. 63 No. 6

Komentar : Tidak ada informasi tim editor yang jelas. Jurnal kurang meyakinkan, terlihat dari halaman yang kosong ketika mencari tautan 'about'. Tim editor juga tidak ditemukan dengan jelas. Discontinued. Tautan bukti korespondensi bukan merupakan bukti proses review dengan tim editor. Penulisan dilakukan dengan kurang cermat, semua referensi dalam bahasa Indonesia dan banyak ditulis dengan kurang tepat. Perlu klarifikasi adanya dugaan duplikasi.

Keterangan : Mengenai editor jurnal Solid State Technology yang tidak ditemukan dengan jelas berikut kami lampirkan view letter dari Tim Editor Jurnal yang menjadi bukti korespondensi dari Tim Editor Solid State Technology beserta Letter of Accepted jurnal judul terkait.

Perbedaan dengan artikel Alcoholysis of Kepyar Castor Seed Oil (Ricinus Communis) Using Alumina Silica Catalyst (Used Cracking Process in Pertamina RU III Palembang) at 1 ATM Pressure adalah untuk penelitian ini metodenya menggunakan Corn Oil dan diolah dengan NaOH Catalys sedangkan Kepyar Castol Oil diolah dengan menggunakan Alumina Silica Catalyst yang di proses di mana molekul hidrokarbon berat dipecah menjadi molekul yang lebih ringan dengan cara panas dan biasanya tekanan dan kadang-kadang katalis

ALCHOLYSIS OF CORN OIL (Zea Mays (L)) USING NaOH CATALYSIS AT 1 ATM PRESSURE

Dear Author,

We appreciate for submitting of your precious manuscript for consideration for publication in Journal Solid State Technology.

In order to make your article suitable for publication, there are some changes that should be made according to the article writing rules:

Corresponding author name in Copyright Agreement Form does not match to corresponding author name in the system. Please correct this situation.

Although there is 1 author in the system, there are 5 authors in copyright form, this situation should be corrected.

Please send Title Page and Referee Suggestion Form in word format.

Please select 1 section you want your article to be reviewed for in Title Page and upload to files section.

Please fulfill all blanks in Referee Suggestion Form and upload again.

There should be 1 line space between paragraphs, after and before titles, tables, equations, and figures (1 line space with 0 pt paragraph spacing).

Level 2 headings should be written with only the first letter of each word capitalized.

Kind regards,

Editorial Office

Journal Solid State Technology

In compliance with data protection regulations, you may request that we remove your personal registration details at any time. (Use the following URL:

SCOPUS INDEXED JOURNAL

Date: 8th September 2020

Dear **Kiagus Ahmad Roni, Arief Prasetyo, Dimas Panji Nugroho, Deri Miftahul Janna**
Department of Chemical Engineering, Faculty of Engineering, Muhammadiyah Palembang
University, Indonesia

We glad to inform you that your research manuscript entitled “**ALCHOLYSIS OF CORN OIL (Zea Mays (L) USING NaOH CATALYSIS AT 1 ATM PRESSURE**” has been ACCEPTED for publication in Solid State Technology Journal.

This letter is official confirmation of acceptance of your research paper.

Yours Sincerely,

Prof. Steve Hall,

Editorial Office

Solid State Technology Journal
